9 Analysis/Observation of the organization of the event:

9.1 Success:

1) The organization of the draw and process organization of the competitions and weight categories, team men, open men, open women and Kata are well passed.

2) Lot of commitment on the part of the Karate Federation Armenia

9.2 Problems/situations:

1) Problem for short times for all karate competitions only 2 days. Better next times for 3 days !

2) Some Turkish delegates that accompany athletes do not respect the moral code of karate referees because they were shouted many times against referees.

3) Difficulties for the organization of Armenian karate judges not have high technical computers because the later too time for the karate results.

4) It was working too many hours for the Karate competition in one area of the mat.

9.3 Proposals /solutions for future events:

1) Having a dojo (gym) several days in warm up training before the official competitions etc..

2) A remake for the next European championship events with efficacy organization with karate federation.

3) Seek to increase the numbers of athletes for kata men or women.

4) Also their want to open the Team competitions for Kumite and Kata women.

5) See if possibility of set up a karate kumite team with three athlete females.

6) Better Increase the number of international referees for all each events (no only national) :

a) Kumite (sparring) or Kata (Technical Forms) Competition categories Men/Women;

b) Kumite Team men with 5 athletes + 2 reserved /Women with only 3 athletes + 2 reserved:

c) Kata Team men with 3 athletes / women with 3 athletes.

- The proposal must do better for the karate competition in two areas of the mat quickly.

- If possible, one of our EDSO E.C. agrees to use the helping computer for the final results under control with Karate T.D. with the federal judges.

10 Results of the each event:

If possible, invite also any deaf referees under federal qualifying for improve communication together hearing referees during the all deaf karate competitions etc..

10.1 Bullet for records and outstanding performances :

- Soon to find the new regulation for the best winner scores .

10.2 Attach all results (appendix1)

11 Protest, Non-Starting Athletes, Violation Sports related violation; Non-sport related violation

-Nobody problems but only portuguese athlete did distraction with hearing aid in the field competition any erroneous OC control which I wanted to intervene to stop it.

11.1 Protest:

1) Better to bring the Video judge control with the request coaches for any Reason technical protest (our proposal).

2) For example, the case of the Armenian judges did not have the special video computer for each karate competition as their old technical method.

11.2 Missing Athletes in Europe :

- Any Country not support or no made contact for existing karate athletes, for example :
- Bulgaria, France, England, Norway, Scotland, Sweden, Spain, Wales

12 The program of the competition:

Attach the program (appendix 2)

13 Conclusion of my report:

- 1) I am satisfied enough commitment Armenian Karate Federation (referees, volunteers ...
- 2) Overall, it is positive to continue with all the proposed events, the athletes were happy with the organization.
- 3) To continue and see the future to create a kumite team of men or women.
- 4) Seeking the next candidate for the world championship, I wait for official confirmation. (Mayor, Minister for Sport, the budget of the organization and dates of site inspections). Maybe Poland, Russia and Greece..
