Ålands Golfklubb The golf paradise of the Baltic Sea

Ålands Golfklubb is located in the middle of Åland, in the middle of the Baltic Sea. The club has two 18-hole courses, the Castle Course (Slottsbanan) and the King's Course (Kungsbanan), as well as Prinsessan (The Princess), a short-hole course. The courses are located in a magnificent environment. King Gustav Vasa had his hunting grounds here and from the Castle Course you have a wonderful view of the castle with the sea constantly present on all holes. The Slottsbanan also hosted the Ladies European Tour 2022.

The King's Course offers more forest and is sometimes challenging in its variety of narrower and more open holes. Due to its nature, the King's Course is relatively hilly. If you learn to read the course, you will definitely find it to be one of the more fun and challenging courses you've played!

A warm welcome to Ålands Golfklubb!

A large blue oval logo with a white golf ball graphic on the left. The text inside the oval reads: "EUROPEAN DEAF GOLF CHAMPIONSHIPS ÅLAND, FINLAND 2023 31 JULY - 3 AUGUST". Below the oval, the website "www.skul.org/edgc-2023" and the Facebook page "www.facebook.com/edgc2023" are listed. The background is a photograph of a golf course with trees and a lake.
